WELCOME TO THE CEDAR VALLEY & Butler County

This guide will give you a glimpse of the people, places, and experiences we all enjoy here in Butler County, and the Cedar Valley of Iowa! Opportunities for outdoor recreation are plentiful! The Rolling Prairie Bike Trail is now 21 miles in length, and this paved trail is attracting biking enthusiasts from across Iowa. If your family enjoys camping and water activities, we have the trifecta! Bring along your bikes, your camper, and also your kayak, as the Shell Rock River is becoming popular for kayaking.

For those that love and make quilts, Butler County is a perfect destination! The Barn Quilts project continues to attract visitors from all over the United States. Take a self-guided drive around the county to see large quilt patterns painted on dozens of historic barns and farm buildings. If you enjoy sewing or the art of quilting, you will find four quilt and fabric related shops here in Butler County.

Our offering of lodging options includes locally owned motels in both Allison and Parkersburg, a bed and breakfast in Greene, and a unique historic vacation rental in Shell Rock. New this year, you will be able to spend the night in a BnB on a dairy farm! Our small communities are proud of our heritage. You will find several historical museums and sites, where the coffee pot is usually on, so plan to enjoy some stories and good conversation! No visit would be complete without a little shopping in one of our antique and specialty shops, or a stop for lunch or dinner in a small town restaurant or coffee shop!

We invite you to visit for a bit and stay for a lifetime! We feel we have many great reasons to make Butler County home for your family. Our location offers you the safety and security of rural living, while only minutes away from all that the larger cities of Waterloo/Cedar Falls and Mason City have to offer. Recreation, housing, education, healthcare, nightlife, NCAA sporting events, and more!

For those returning to visit friends and family, I invite you to acquaint yourselves, check out all the positive changes happening here, and explore what our area has to offer. Business growth and entrepreneurship have led to unprecedented employment opportunities in a wide range of careers, plus investments in quality of life amenities have made the Cedar Valley one of the best places to live, work, and raise a family!

I encourage you to follow our social media handle @livethevalley on Facebook, Instagram, Twitter, and LinkedIn to see for yourself how we “Live The Valley” in the Cedar Valley and Butler County!

We are only a phone call or email away if you need any assistance with planning your visit. Feel free to contact our office at (319) 267-2858 or send an email to butlergrundy@netins.net.

The building was relocated to the courthouse square in Allison, and was the first attraction of the Butler County Historical Society. Volunteer retired school teachers help educate current school children from around the county on what it would have been like to get their education in a one room school. The school is outfitted with sleigh desks and other props from the era when it was used. Visitors are welcome. Appointments are required by calling 319-885-6279.

HISTORICAL LOG CABIN

Allison, Butler County Fairgrounds

Built in the 1850s, this was originally a two story log cabin and served as a stagecoach stop between Waterloo and Mason City in Coldwater Township southwest of the town of Greene. The cabin also served as the first hotel in Greene. Many of the logs are black walnut and were found to be firmly mortised into the adjoining log. In 1960 the log cabin was turned over to the Butler County Historical Society. You can visit it during the annual Butler County Fair, or by appointment by calling 319-885-6279.

SHELL ROCK WILDLIFE AREA

22562 Main Street, Shell Rock

Adjacent to the Shell Rock Recreation area is the Shell Rock Wildlife Area. This 49-acre area of floodplain forest provides valuable wetlands that are home to waterfowl, beaver, deer, and a variety of non-game wildlife.

SHELL ROCK RECREATIONAL AREA

22562 Main Street

This 40-acre area, located on the west edge of Shell Rock off Highway 3, was one of the very first areas purchased by the Conservation Board. A playground, shelter house, flush toilets and showers are just a few of its many features. The area has 30 electrical hook-ups, and the Shell Rock River offers fishing, a canoe access, and boat ramp. A lake on the west edge of the park offers fishing for a variety of species during both the summer and winter.

WEST FORK FOREST ACCESS

28376 Temple Avenue

Between Shell Rock and New Hartford

Located along County Road T-55, this 108-acre area of bottomland timber provides an excellent habitat for many species of wildlife. Dotted with pot holes, the area offers good early-season waterfowl hunting. An abundance of swamp white oaks and tree plantings of pines and cedars provide food and cover for many squirrels, deer, and wild turkey. Primitive camping is allowed in the park, but water and restroom facilities are not available.

BUTLER COUNTY

Snow Snoops

The Butler County Snow Snoops offer well groomed snow covered trails, fun, family oriented activities, and much more. Club rides are held locally as well as out of state, and meetings are held the first Wednesday of each month at area businesses. There are even canoe floats in the summer!

Interested riders do not have to live in Butler County to be a member. In fact, this club has members from several counties and many of them belong to more than one club in the area. Membership is \$25/single and \$30/family per

year. This includes membership to the Iowa State Snowmobile Association.

If you are a snowmobile enthusiast, belonging to a snowmobile club is important. It's these clubs that line up, clear, mark and groom the trails for everyone to enjoy. Membership is key to keep funding coming in to the clubs to pay for grooming costs. If you would like to become a member of the Butler County Snow Snoops you can e-mail: snowsnoops@butler-bremer.com.
