BUTLER CO BOS • MINUTES AND CLAIMS 10.3.2023

MINUTES AND PROCEEDINGS OF A REGULAR MEETING OF THE BUTLER COUNTY BOARD OF SUPERVISORS HELD ON OCTOBER 3, 2023.

Meeting called to order at 9:00 A.M. by Chairman Greg Barnett with members Rusty Eddy and Wayne Dralle present. Moved by Dralle second by Eddy to approve the agenda. All ayes. Motion carried.

Minutes of the previous meeting were read. Motioned by Eddy, second by Dralle to approve the minutes as read. All ayes. Motion carried.

Misty Day, Planning and Zoning, announced that Navigator has decided to put their pipeline application on hold as they have had a permit denied in South Dakota. Michael Grantham, Clarksville Mayor, was present to discuss an accident that happened on Superior Street and Church Street as a child was walking to school. He would like to see if a school zone sign could be put in where there is high foot traffic before and after school. John Riherd. County Engineer, explained that it is a county route and they have agreements with some cities as far as signage. Riherd stated that he would do some research on this and mentioned INRCOG as a source for more information.

Riherd provided an Engineer update. The Packard railroad crossing is now open, paving and repairs has been done around the county, and work on bridges continues to take place. The Unverferth overflow bridge will soon be underway and they intend to have a camera that will track the progress of construction at the site. In addition, the County Engineer is seeking to hire four individuals in the Secondary Roads Department.

Motioned by Eddy, second by Dralle to approve claims. All ayes. Motion carried. Butler County claims paid Au-
