MINUTES AND PROCEEDINGS OF A REGULAR MEETING OF THE BUTLER COUNTY BOARD OF SUPERVISORS HELD ON MARCH 30, 2022.

Meeting called to order at 9:01 A.M. by Chairman Rusty Eddy with members Tom Heidenwirth and Greg Barnett present. Moved by Heidenwirth, second by Barnett to approve the agenda. All ayes. Motion carried.

Minutes of the previous meeting were read. Motioned by Heidenwirth, second by Barnett to approve the minutes as read. All ayes. Motion carried.

No public comment received A motion was made by Barnett, second by Heidenwirth to open a Public Hearing at 9:05 A.M. to consider a Resolution declaring Emergency Medical Services (EMS) to be an essential service. Jeff Kolb commented as a member of EMS and as an Economic Development professional. He made a point to differentiate between local services and the EMS as the EMS would act as a supplement to fill in the gaps. He indicated that many businesses and families think about access to medical services when discussing the livability within a community or county. The EMS would be a step forward in progressing in that area. Barnett briefly outlined the process and what the plan is moving forward. Chairman Eddy commented that it will be challenging to determine who will be on the Advisory Council, and ideally, they would like to have somebody from each town/area. Barnett also stated that he does not like the options provided by the State to fund EMS; which includes property tax and income surtax, but they will explore additional options. After receiving a question about how much a 1% sales tax would generate, Engineer John Riherd, responded that it would turn out to be around \$600,000 - \$700,000 annually. Barnett said that in this effort, they will be relying heavily on the citizens and EMS individuals for answers and input. Barnett moved to close the Public Hearing, second by Heidenwirth. All ayes. Motion

The board reviewed the First Reading of Resolution 1017 - Declare Emergency Medical Services (EMS) to be an essential service in Butler County, Iowa, as authorized by Iowa Code Section 422D.1. Moved by Heidenwirth, second by Barnett to approve the First Reading of Resolution 1017

After the approval, Barnett asked if anybody in attendance had visited the website and if there were any suggestions on what they would like to see on it. It was mentioned that it would be good to see the number of individuals on crews, types of services, missed calls, dropped calls, servicing another area while receiving a call, etc. The consensus was made that a good measure to have would be "all calls that could not be responded to by the primary service in the area"

A motion was made by Barnett, second by Heidenwirth to open a Public Hearing at 9:05 A.M. to consider a Resolution declaring Emergency Medical Services (EMS) to be an essential service. Jeff Kolb commented as a member of EMS and as an Economic Development professional. He made a point to differentiate between local services and the EMS as the EMS would act as a supplement to fill in the gaps. He indicated that many businesses and families think about access to medical services when discussing the livability within a community or county. The EMS would be a step forward in progressing in that area. Barnett briefly outlined the process and what the plan is moving forward. Chairman Eddy commented that it will be challenging to determine who will be on the Advisory Council, and ideally, they would like to have somebody from each town/area. Barnett also stated that he does not like the options provided by the State to fund EMS: which includes property tax and income surtax, but they will explore additional options. After receiving a question about how much a 1% sales tax would generate, Enaineer John Riherd, responded that it would turn out to be around \$600,000 - \$700,000 annually. Barnett said that in this effort, they will be relying heavily on the citizens and EMS individuals for answers and input. Barnett moved to close the Public Hearing, second by Heidenwirth. All ayes. Motion carried.

The board reviewed the First Reading of Resolution 1017 – Declare Emergency Medical Services (EMS) to be an essential service in Butler County, Iowa, as authorized by Iowa Code Section 422D.1. Moved by Heidenwirth, second by Barnett to approve the First Reading of Resolution 1017.
