Barnett responded that he checked with the attorney to see if there was anything the county could do about it. Kuehner indicated that they are violating State law if they are blocking the road for more than 10 minutes. Eddy questioned Kuehner if writing a citation would be a

good way to move forward. Kuehner mentioned that that would be good start. Eddy commented that the fine is not much for them but taking some action will initiate a paper trail on taking some recourse. Eddy also said that inevitably there is going to be an emergency issue during the train blocking which will be a bigger problem. The board recommends starting the citation process with the railroad.

Suzie Jacobs requested approval for a Wellness Check Clinic. Jacobs stated that this is an annual check and is aiming to have this on September 14th. Eddy motioned to approve the wellness check, second by Heidenwirth. All ayes. Motion carried.

Day is planning to set up a meeting with them during the next Planning and Zoning Commission meeting.

The board reviewed the Public Health Annual Sub-Fund Agreement from Public Health Director Jennifer Becker. Becker stated that this is the same agreement from previous years and the dollar amount decreased from last year. Heidenwirth motioned to approve the Agreement, second by Eddy. Barnett abstained as a member of the Public Health board. Motion carried. The board discussed the bidding process for the new Public Health addition.
